# Elim - Design and Construction of Village Public Safety Officer Home

**State Funding Requested: \$ 100,000****House District: 39 - T**

One-Time Need

**Brief Project Description:**

This project funding would be used to design and construct a Village Public Safety Officer (VPSO) home which the village really needs for a VPSO to have a place to live.

**Funding Plan:****Total Cost of Project: \$100,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

**Detailed Project Description and Justification:**

The lack of a home for a VPSO is one of the main reasons it is very hard to keep law enforcement within the community. If this is not enough funding to completely build a new home the City of Elim owns a small yellow house that can be renovated and possibly extended. The house is fully furnished and livable but is quite small.
